

Staff Profile

Pastor Chee Weng Yong

Accepted Christ at the age of 18 (1993) through the persistent witnessing of many. Was called to serve the Lord during his third year in university. With the guidance of his pastor, he returned to Malaysia to work as an engineer for 4 years before going to Bible school. These working years were formative to his witnessing faith in the marketplace, and growth in his home church, Calvary Church (Assemblies of God) Malaysia. In 2001, happily married to Senior Pastor Lee Siu Quek, and became the proud father of two daughters. From 2002-2003, Biblical thinking and approach were shaped into him through the Bible College of Malaysia. From 2004-2019, he served in Calvary Church in growing capacities as ministerial staff, assistant pastor, pioneer missionary in North Africa, associate pastor, and Missions Director. 2019-2022 were challenging years in the Middle East. Moved to the UK in 2022 in obedience to the Lord's direction and joined MCCC staff in March 2023. His life's only regret? Not accepting Christ earlier.
