Assistant Minister (Trainee) John Luk

John was born and raised in a Christian family in Essex, UK and grew up attending a local Chinese Church. He accepted Jesus as his Lord at the age of 7 and got baptised at the age of 17. John studied Engineering in Liverpool and graduated in 2013 before gaining experience from many different jobs: from teaching LEGO and working as a chef to working in a food distribution company, before studying PGCE and becoming a primary school teacher for the last 8 years. John has been worshipping at MCCC since moving up to Manchester in 2020. 2025 was a particularly busy year for John as he got married to Joanne and resigned from teaching to finally answer God's call into full-time ministry in 2025.
